## UNITED STATES INTERNATIONAL TRADE COMMISSION

---

WASHINGTON, DC 20436

July 9, 2001

Dear Exporter:

The purpose of this letter is to request certain information on your operations, in connection with the Commission's investigation No. TA-201-73, Steel, under section 202 of the Trade Act of 1974 (19 U.S.C. 2252). The information requested in the questionnaire is needed to supplement data available to the Commission from other sources and is requested under the authority of section 202 of the Trade Act of 1974.

The data furnished in response to this request that reveal your individual firm's operations will be treated as confidential business information by the Commission to the extent that such data are not otherwise available to the public and will not be disclosed except as may be required by law. Such confidential business information will not be published in a manner that will reveal the individual operations of your firm. You are reminded of the provisions of section 206.17(f) of the Commission's rules (19 CFR § 206.17(f)), which require you to serve a copy of your response to this request on parties to the investigation who have been granted such access under administrative protective order.

Please provide the information requested in the attachment to this letter directly to the Commission's investigators (Christopher J. Cassise, Room 613A, U.S. International Trade Commission, 500 E Street, SW, Washington, DC, 20436) by no later than July 30, 2001. No copies are necessary. If you have any questions concerning the investigation or this request please contact Mary Messer (205-3193 regarding Carbon and alloy flat products), D.J. Na (202-708-4727 regarding Carbon and alloy long products), and Christopher J. Cassise (202-708-5408 regarding carbon and alloy tubular products and stainless and tool steel products).

Thank you for your assistance,

Lynn Featherstone  
Director, Office of Investigations

**CERTIFICATION**

The undersigned certifies that the information herein supplied in response to this questionnaire is correct to the best of his/her knowledge and belief and understands that the information submitted is subject to audit and verification by the Commission. Section 202(a)(8) of the Trade Act states that the procedures concerning the release of confidential business information set forth in section 332(g) of the Tariff Act of 1930 (19 U.S.C. 1332(g)) shall apply with respect to information received by the Commission in the course of investigations under sections 201-204 of the Trade Act. Section 332(g) provides that "the Commission may not release information which the Commission considers to be confidential business information unless the party submitting the confidential business information had notice, at the time of submission, that such information would be released by the Commission, or such party subsequently consents to the release of the information."

The undersigned acknowledges that information submitted in this questionnaire response and throughout this investigation may be used by the Commission, its employees, and contract personnel who are acting in the capacity of Commission employees, for developing or maintaining the records of this investigation or related proceedings for which this information is submitted, or in internal audits and investigations relating to the programs and operations of the Commission pursuant to 5 U.S.C. Appendix 3. I understand that all contract personnel will sign appropriate non-disclosure agreements.

The undersigned also acknowledges that the Commission, and its employees and contract personnel may (1) use the information you provide in this questionnaire and throughout this investigation, in any other investigations conducted by the Commission under part 1 of Title II of the Trade Act of 1974 (the Act) arising out of any relief action taken by the President as a result of the Commission's determination in this investigation; and (2) provide such information to the President, including in a confidential version of the report that the Commission transmits to the President, should the Commission transmit a confidential version.

The Commission will disclose the information you provide to authorized representatives of interested parties under administrative protective order in accordance with 19 CFR 206.17.

**OPERATIONS IN HOME MARKET**

1. Please report production capacity, production, shipments, and inventories of steel products produced by your firm in its home market on page 5.
2. What percentage of your firm's total sales in its most recent fiscal year was represented by sales of steel products? \_\_\_\_\_ Percent
3. Does your firm have any plans to add, expand, curtail, or shut down production capacity and/or production of steel products in its home market?  
'        No        '        Yes--Please describe those plans, including planned dates and capacity/production quantities involved.

---

---

**OPERATIONS IN THE UNITED STATES**

1. Please provide the names and addresses of the **FIVE** largest U.S. importers of your firm's steel products in 2000.

---

---

---

---

---

2. Does your firm or any related firm produce, have the capability to produce, or have any plans to produce, steel products in the United States?  
'        No        '        Yes--Please name the firm(s) below and ensure that they complete the Commission's producer questionnaire (contact Mary Messer for copies of that questionnaire).

---

---

3. Does your firm or any related firm import or have any plans to import steel products into the United States?  
'        No        '        Yes--Please name the firm(s) below and ensure that they complete the Commission's importer questionnaire (contact Mary Messer for copies of that questionnaire).

---

---

4. Please identify any developments during the last ten years that resulted in certain steel products under investigation being imported into the United States in such increased quantities as to have an adverse impact on the domestic industry[ies] during the period January 1996-June 2001. For each development, please describe the development, when it occurred, and whether it was unexpected.

---

---

---

---

5. Have you observed any factors other than increased imports into the U.S. market that are having an adverse impact on the operation of the U.S. industry? Please describe the role played by each factor that you identify.

- **Reports and statements.**—To assist us in reconciling your questionnaire response with your audited financial statements, please provide a photocopy of the page(s) for each year from your company's audited annual report or other annual report that you are using to compile the reconciliation of capacity data by product. Please provide an English translation for the pages that you attach, if available.
- **Instructions for reconciliation:** Reconcile your company's production capacity with the segment or total data reported in your company's audited annual report and/or other annual report. Eliminations are intercompany transactions that are eliminated in the preparation of consolidated financial statements. Provide data for your five most recently completed fiscal years in chronological order from left to right.
